

Stay at Home 4th of July Parade!

The City of Grass Valley and Nevada City are excited to announce the Stay at Home 4th of July Parade! Due to COVID-19, the Annual 4th of July parade that was scheduled to be held in Nevada City was canceled, but both cities wanted to still come together and have a reason to celebrate during these times. The City of Grass Valley and Nevada City have planned a small parade of Emergency Response and Public Work Vehicles that will take an elaborate route through both Cities. The modified parade route will allow residents to stay at home and watch the parade from the comfort of their neighborhood. The parade route will start at 10:00 AM in Grass Valley and enter Nevada City at approximately 11:50 AM. A detailed description of the parade route and times is available on the City of Grass Valley Home Page.
