
Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

/J

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Alissa Horn

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated!! Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Joan Borsten

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Anne Goldmann

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black

Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Jeffrey Fried

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

BH

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

"Those who do not learn history are doomed to repeat it" – George Santayana.

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crisos describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;"" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him.'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

"Those who do not learn history are doomed to repeat it" – George Santayana.

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Rachel Greenberger

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian

girls [5].

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian

girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

R. Grosz

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea," We don't want a two-state," "Long live October 7th," "October 7th again," "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting *Jews*, listen carefully to the rest of their chants like, "Death to America!"' [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Alexandra Raine

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from those attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Orit Even-Shoshan

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black

Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Dorothy Rajanov

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Raychell Larkin

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Robin Davis

While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Megan Udell

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyghurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

"Those who do not learn history are doomed to repeat it" – George Santayana.

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Cheistian girls [5].

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
H. Damaghi

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea," We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Barbara Bilvaisis

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

Those crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Judah A Charnoff, MD

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Larry Musnick

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Anna Toyberman

The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Danielle Kalt

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black

Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea," We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

"Those who do not learn history are doomed to repeat it" – George Santayana.

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian

girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

"Those who do not learn history are doomed to repeat it" – George Santayana.

Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black

Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Sara Mason

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Than, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Lesley Blacher (90034)

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting *Jews*, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million *Jews*. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely, Sam Frank

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

Those crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;"" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Vivian Aryeh

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from those attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian

girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Helen Ickowicz

Just listen to the chants: "From the river to the sea," We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

"Those who do not learn history are doomed to repeat it" – George Santayana.

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

U.S. Senators

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead. 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea," We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. Those resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Zaev

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Lauren Mescon

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him!'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11]. These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment,

segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15]. Just listen to the chants: “From the river to the sea;” We don’t want a two-state;” “Long live October 7th;” “October 7th again;” “Long live the intifada!” In fact, Article 7 of the Hamas Charter states: “The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, ‘O Muslim, there is a Jew hiding behind me, come and kill him’” [16]. This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, “Death to America!” [17] THE GREAT MISCONCEPTION It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19]. Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality. If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages. Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him!'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Shera Goldman

[18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Dr Debora Barney

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

U.S. Senators

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from those attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgement will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Hania Shatzer

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments.
These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Paul Schneider

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS,
Vote NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel,
vote NO to an academic boycott, Vote NO to an anti-Israel ballot question, and #Vote NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments.
These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from those attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

"Those who do not learn history are doomed to repeat it" – George Santayana.

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from those attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

"Those who do not learn history are doomed to repeat it" – George Santayana.

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian

girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Doreen Feingersch

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea," We don't want a two-state," "Long live October 7th," "October 7th again," "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Laura Fisher

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protestors. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea," We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

"Those who do not learn history are doomed to repeat it" – George Santayana.

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 echools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting *Jews*, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million *Jews*. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott; NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Leah Lewis

Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

David Mallov, DVM

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black

Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Iris Gold

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea," We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Katie

[18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Deanna Weine

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from those attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea," We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black

Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protestors. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea," We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protestors. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea," We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

"Those who do not learn history are doomed to repeat it" – George Santayana.

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Seymour Rackoff

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black

Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Stephanie Ewashkow

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black

Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Nadav Traeger

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black

Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Sylvia J Danzer

Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Shanie

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black

Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]
