Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://www.thefp.com/p/where-free-speech-ends-and-lawbreaking-begins).

Sincerely,

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demonize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, those deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, those deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60 1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Claylord%40cityofgrassvalley.com%7C3484685da051416fda0680ddb8d64cc2%7C9ac77aa3054441df9e87a50876705ff%7C1%7C0%7C638787008333419274%7CUnknown%7CTWFpbGZsb3dSb3dzIjoiMC4wLjAwMDAiLCJBTiI6Ik1haWwiLCJXVCI6Mn0%3D%7C60000%7C%7C%7C&sdata=l14eAZJ0zN%2BK79gxxzTHxoC4LV8IKVp8p9zLH9vCPw%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street – executing them point blank (8,9).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott; NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylorsf%40cityofgrassvalley.com%7Ccf597aa03fd14992498f08ddfd53bc22%7C9ac77aa305d441df9e87a50878f705ff%7C1%7C0%7C638786791149165896%7CUnknown%7CTWFpbGZsb3dleyJFbXB0eUlhcGkiOnRydWUsIlYiOiIwLjAuMDAwMCIsIkFuIjoyfQ%3D%3D%7C60000%7C%7C%7C&sdata=eq%2FwCT%2F00vTWedIo4L7uV%2FrubZb8W1OtxIBjDnPH9U58M%3D&reserved=0).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demonlize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Dospite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylorsf%40cityofgrassvalley.com%7C56f5ff02da64e4f59b53708ddbd1f65d%7C9ac71aa3054441df9e87a50878705ff%7C1%7C0%7C638678791043181595%7CUnknown%7CTWFpbGZsb3dzIjoiMC4wLjAwMDAiLCJQIjoiV2luMzIiLCJBTiI6Ik1haWwiLCJXVCI6Mn0%3D%7C60000%7C%7C%7C&sdata=dqGH8kX75ltudJoh8S0HvzgFT2EDnMiEG0%2Bfq9Adv1af%3D&reserved=0-beginoks&data=05%7C02%7Ctaylorsf%40cityofgrassvalley.com%7C56f5ff02da64e4f59b53708ddbd1f65d%7C9ac71aa3054441df9e87a50878705ff%7C1%7C0%7C638678791043181595%7CUnknown%7CTWFpbGZsb3dzIjoiMC4wLjAwMDAiLCJQIjoiV2luMzIiLCJBTiI6Ik1haWwiLCJXVCI6Mn0%3D%7C60000%7C%7C%7C&sdata=aBdF%2FHGT%2BHPC91hTMU0lZ7J1HnoMFAF%2BCLOHADCdDNo%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott; NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are those people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demonlize Israel, and delegitimize Israel in the eyes of the world (24, 25). Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmood Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are those people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demonalize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES those rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.theftp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityofgrassvalley.com%7C8683a0d2fb4204cf81d9408dd6d33a46%7C9ae77aa3054441df9e87a50878705ff5%7C1%7C0%7C638786790755740773%7CUnknown%7CTWFpbGZsb3dzIjp7IlYiOiIwLjAuMDAwMCIsIlAiOiJXaW4zMiIsIkFOIjoiTWFpbCIsIldUIjoyfQ%3D%3D%7C0%7C%7C%7C&sdata=vUkt0QoK3h6%2FVjTeWYXT5kEUtQH2kJnRxqCbmaPIB40%3D&reserved=0).

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are those people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Claylord%40cityofgrassvalley.com%7C08c7872b9483431170ed0bddbd338d50%7C9aa77aa3054441df9e87a50878f705f0%7C1%7C0%7C638786790368568022%7CUnknown%7CTWFpbGZsb3dpbyJFbXBhIsUIsGkiOnRydWUsIlYiOiIwLjAuMDAwMCIsIlAiOiJXaW4xMiIsIkFOIjoiTWFpbCIsIlBjIjoyfQ%3D%3D%7C0%7C%7C%7C&sdata=IM5kcJkEIQ3D3KXYOQ80%2FofdHamqbQqBNYBB0z6VYlw%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott; NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence

steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, “Israel has implemented more measures to avoid civilian casualties than any other military in the history of war” (33). From the IDF’s use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, “No military in the world has ever done this” (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel’s numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://www.thefp.com/p/where-free-speech-ends-and-lawbreaking-begins).

Sincerely,
RDK

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityofgrassvalley.com%7Ca53046a1cb5c40a557530fddd6d536f8a%7C3ac71aa305d441df9e87a50878705ff1%7C1%7C0%7C638786789867876760%7CUnknown%7CTWFpbGZsb3d8eyJFbXB0eU1lbiGlkSmRyfWUsIlYiOiIwLjAuMDAwMCIsIlAiOiJXaW4zMiIsIkFOIjoiTWFpbCIsIlJjoyfQ%3D%7C60000%7C%7C%7C&sdata=XFvS8o%2FcKvmEnHJBZoO5r630GlJOwlqLU4mzrOzC5Qg%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylorf%40cityofgrassvalley.com%7C8c8506c29c3a45cf2e4008ddd8d5360f%7C9ae71aa305d441df9e87a50878705f1%7C1%7C0%7C638786789601420884%7CUnknown%7CTWFpbGZsb3dfdkyIlV0iMC4wLjAwMDAiLCJQIjoiV2luMzIiLCJBTiI6Ik1haWwiLCJXVCI6Mn0%3D%7C60000%7C%7C%7C&sdata=1hdUfcm5t4VAJuLFGEPT%2FiixcUm66FwoIrDyJSsYK6k%3D&reserved=0)

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60 1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated those lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityofgrassvalley.com%7Cb2015fdf3d774c6d8a6e89dd6d535cdf%7C9ae77aa36f5d441df6e87a50f87f05ff%7C1%7C0%7C638788789566568471%7CUnknown%7CTWFpbGZsb3dfeyJFbXBtcUIsoyRjI%3D%3D%7C0%7C%7C%7C&sdata=QT3tD4%2Bg5rPvfFBier%2FkVAuEwThF3qmtmarQ7Y dI2wc%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott; NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylorof%40cityofgrassvalley.com%7C8a56ca24d34b4990b7b106dd8d5134bd2%7C9aa73aa305d9441df9e87a50878f705f%7C1%7C0%7C638378670927201602%7CUnknown%7CTWFpbGZsb3d8eyJWIjoiMC4wLjAwMDAiLCJBTiI6Ik1haWwiLCJXVCI6Mn0%3D%7C0%7C%7C%7C&sdata=Xm%2FVrOXF4AMLTiRzcfV52PVK9RuzKZVvTa%2Bb4vNbH8F%3D&reserved=0).

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES those rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityofgrassvalley.com%7C5d4879788802439c2d0908dd6d3337b2%7C9ae77aa3054441dfbf67a50878705ff5%7C1%7C0%7C638786789936880707%7CUnknown%7CTWFpbGZsb3dpbyJFbXBtcUI1IuGkiOnRydWUsIlYiOiIwLjAuMDAwMCIsIlAiOiJXaW4wMiIsIkFOIjoiTWFpbCIsIlUjoyfQ%3D%3D%7C0%7C%7C%7C&sdata=TFcL6cjP9PCa9%2FOZ4%2Bhu%2FDUIRXP%2Bhun4ysIJYLtuGK%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

U.S. Senators

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylorf%40cityofgrassvalley.com%7C4be8b0f945c7499c5acb98ddde8325995%7C3ae77aa305d441df9a87a5f878f705ff%7C1%7C0%7C638786788684554485%7CUnknown%7CTWFpbGZsb3dpbzIfX0BMcI1IuGkiOnRpdW1sIlV2iDoiLjAuMDAwMCIsIlAiOiJXaW4xMCIsIkFOIjoiTWFpbCIsIldUIjoyfQ%3D%3D%7C60000%7C%7C%7C&sdata=qemBf37IrD1GGb%2FSfenuP%2BIXwGTaMtXMkJ8mzpxeo%3D&reserved=0).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://www.thefp.com/p/where-free-speech-ends-and-lawbreaking-begins).

Sincerely,

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence

steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, “Israel has implemented more measures to avoid civilian casualties than any other military in the history of war” (33). From the IDF’s use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, “No military in the world has ever done this” (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel’s numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://go02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-law&data=05%7C02%7Cmayor%40cityofgrassvalley.com%7Cc8b198e8fbe774a41dd27f08dd8d6613&sdata=Ug6l4OdgNMd3SeaOwtCpg7mFWKYyw5E9frtw3OqPJKw%3D&reserved=0).

cc: Christians United for Israel DOJ Press State House/Assembly California State Senate/Legislature California U.S. Representative U.S. Senators Honorable City Council Members, We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments. We ask you please to read this letter in its entirety to understand our request. A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis. These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power. HAMAS IS A TERRORIST ORGANIZATION What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1). Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch: "The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3). Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians. Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision. HAMAS ROBBED GAZA FROM THE PALESTINIANS Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5). HAMAS' VIOLENT COUP OF GAZA In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9). HAMAS WEAPONIZES PALESTINIAN YOUTH The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12). Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14). HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS Palestinian

children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16). Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17). HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21). HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22). Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28). Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29). Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott; NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are those people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demonlize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots those trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60 1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Dospite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott; NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are those people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demonlize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60 1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylorf%40cityofgrassvalley.com%7C3bf2379d52c594a1ac4308ddbd3302d2%7C9ac71aa305d441d9a87a5087f6705ff%7C1%7C0%7C638786780044066419%7CUnknown%7CTWFpbGZsb3d8eyJFbXB0eU1hcGkiOnRydWUsIlYiOiIwLjAuMDAwMCIsIlAiOiJXaW4zMiIsIkFOIjoiTWFpbCIsIlUjoyfQ%3D%3D%7C60000%7C%7C%7C&sdata=NxYEdQ8as44MV7vrj2ecQVgtuWYTIFjESiFjk56eCYg%3D&reserved=0). Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://jccf52.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylorsf%40cityofgrassvalley.com%7C%0a6a4c39e804a57a6c308ddd6d32f8f2%7C9aa73aa305d441df9e87a50787705ff%7C1%7C0%7C638786787993908895%7CUnknown%7CTWFpbGZsb3dpcyJ9fX3Dbc1ihcGkiOnRydWUsIlYiOiIwLjAuMDAwMCIsIlAiOiJXaW4zMiIsIkFOIjoiTWFpbCIsIlBjoyfQ%3D%3D%7C60000%7C%7C%7C&sdata=CvraMxiTPYuQ8%2Bgh0HLd4KjWdvZNhguoQBiTcDz8OQ%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence

steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, “Israel has implemented more measures to avoid civilian casualties than any other military in the history of war” (33). From the IDF’s use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, “No military in the world has ever done this” (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel’s numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://www.thefp.com/p/where-free-speech-ends-and-lawbreaking-begins).

Rachel Hammerman

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harrassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctayloref%40cityofgrassvalley.com%7C764178bd211fe4ac7426708dd6d525f42f0%7C9ae77aa305d441df9e87a50878f705ff%7C1%7C0%7C638786787794283066%7CUnknown%7CTWFpbGZsb3dzeyJfSXBBIjoiTlhsGIkl0nRyaWUzIlfYiOiMuLjAuMDAwMCIsIlAiOiJXaW4zMiIsIkFOIjoiTWFpbCIsIldUIjoyfQ%3D%3D%7C0%7C%7C%7C%7C&sdata=7wwqqjceuF3AbzHRVzynamDqL%2FQeC wyt%2B%2B4wA5SoLLE%3D&reserved=0).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylor.whitehead%40cityofgrandvalley.com%7C597cd896682546ffd5f008dd6d52ee92%7C9ae77aa3054441df9c87a50878f705ff%7C1%7C0%7C638786787694085563%7CUnknown%7CTWFpbGZsb3dpbyIsImFuIjoiMC4wLjAwMDAiLCJQIjoiV2luMzIiLCJBTiI6Ik1haWwiLCJXVCI6Mn0%3D%7C60000%7C%7C%7C&sdata=soQJvfkuoCiIJXL98nDs0UhAZdYr6dMPX2ddFACfPv%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES those rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityofgrassvalley.com%7C6cb6903997374172787f08ddbd32eb25%7C9ae77aa305d441df9e87a5087807050f%7C1%7C0%7C638578678766417642 15%7CUnknown%7CTWFpbGZsb3dSeyJFbXB0eU1hcGkiOnRydWUsIlYiOiIwLjAuMDAwMCIsIkFuIjoiTWFpbCIsIkJpyyRQ%3D%3D%7C800000%7C%7C%7C&sdata=t7QlFI3bFmNxaeu4B%2FOHmQqMAcRFY83dnHDKVgfaQ%3D&reserved=0).

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are those people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylorf%40cityofgrassvalley.com%7C3914334b98da4cd47efa0f6ddfd32cb5f%7C70a77aa305d441df9a87a50878f705ff%7C1%7C0%7C638786787646681226%7CUnknown%7CTWFpbGZsb3dzIjoiMDAwMCIsIlAiOiJXaW4zMiIsIkJUIjoiTWFpbCIsIldUIjoyfQ%3D%3D%7C60000%7C%7C%7C&data=6%2FGZJERIJQ9BrTlvWSspqQuoIuOLQBQedB8IYWo6kd0I%3D&reserved=0-beginwhitlate=05%7C02%7Ctaylorf%40cityofgrassvalley.com%7C3914334b98da4cd47efa0f6ddfd32cb5f%7C70a77aa305d441df9a87a50878f705ff%7C1%7C0%7C638786787646659626%7CUnknown%7CTWFpbGZsb3dzIjoiMDAwMCIsIlAiOiJXaW4zMiIsIkJUIjoiTWFpbCIsIldUIjoyfQ%3D%3D%7C60000%7C%7C%7C&data=5dxDIb4u2Yv4JSEyFo6cz29ygyPpJlbVyDfDA%2F45U90%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence

steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, “Israel has implemented more measures to avoid civilian casualties than any other military in the history of war” (33). From the IDF’s use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, “No military in the world has ever done this” (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel’s numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://www.thefp.com/p/where-free-speech-ends-and-lawbreaking-begins).

Sincerely,

Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thecjlp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Claylonf%40cityofgrassvalley.com%7C949060502fcb4b6e8b7808fddd422aed0%7C76ae73a3054641df9c87a50878705ff%7C1%7C0%7C638786766649965217%7CUnknown%7CTWFpbGZsb3dpc3d8eyJFbXB0eUlhcGkiOnRydWUsIlYiOiIwLjAuMDAwMCIsIkFuIjoiTWFpbCIsIldUIjoyfQ%3D%3D%7C0%7C%7C%7C&sdata=EljRvVyl4LoGKpVHTvq17H6tGdUxaVSoeLZGn7LSA%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, lead the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law [https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.theftp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylorf%40cityofgrassvalley.com%7C16e9a516364a4b39d8310bfddfd32af2f%7C9ae77aa3054441df9e87a50878705f0f%7C1%7C0%7C638786786630471568%7CUnknown%7CTWFpbGZsb3dkeyJFbXBteUIlaGkiOnRydWUsIlYiOiIwLjAuMDAwMCIsIlAiOiJXaW4zMiIsIkFOIjoiTWFpbCIsIlUlJoyRQ%3D%3D%7C80000%7C%7C%7C%&sdata=Hdf4TFhpQLqr0yLYVmEa6eVWH4Fvuqbx3lJ%2BQuuZ0A%3D&reserved=0].

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, lead the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law [https://gcc02.safelinks.protection.outlook.com/?url=http%3A%2F%2Fwww.theflp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylorf%40cityofgrassvalley.com%7C6874812278a34388fcba08ddbd327b3a%7C9ae77aa305d441df9e87a50878f705ff%7C1%7C0%7C638786785765017043%7CUnknown%7CTWFpbGZsb3dRey JFbXBfbGkiOnRydWUsIlYiOiAwLjAuMDAwMCIsIkFuIjoyfQ%3D%3D%7C0%7C%7C%7C&sdata=SfcNPHO%2FgkaHFDTQTIEfPx%2BPMAJudFpOWEX%2BH35%2BDow%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetrates genocide on the Israelis and it is HAMAS that perpetrates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence

steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, “Israel has implemented more measures to avoid civilian casualties than any other military in the history of war” (33). From the IDF’s use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, “No military in the world has ever done this” (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel’s numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://www.thefp.com/p/where-free-speech-ends-and-lawbreaking-begins).

Hagit

They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://www.thefp.com/p/where-free-speech-ends-and-lawbreaking-begins).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, “Israel has implemented more measures to avoid civilian casualties than any other military in the history of war” (33). From the IDF’s use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, “No military in the world has ever done this” (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel’s numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist

casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://www.thefp.com/p/where-free-speech-ends-and-lawbreaking-begins).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Cmylord%40cityofgrassvalley.com%7C88d9569f8a56442d4d9a708dddd5235b46%7C7ac87ac8054641d9bc87a50878f70505%7C1%7C0%7C638786785247003106%7CUnknown%7CTWFpbGZsb3d8eyJWIjoiMC4wLjAwMDAiLCJQIjoiV2luMzIiLCJBTiI6Ik1haWwiLCJXVCI6Mn0%3D%7C0%7C%7C%7C&data=OIp%2FMAUyG2ibybwzbe72lRiX0XqYJTXaGzrQZHBsRaGs0%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmood Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, those deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60 1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts; "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixty-fold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylorof%40cityofgrassvalley.com%7C3804baa6331f194cd9c38d08ddd52458d%7C7ba75aa30f5d441d9e87a50878705ff5%7C1%7C0%7C638786744070034061%7CUnknown%7CTWFpbGZsb3dpcyJ9&sdata=yz5XcZaj6fIBK%2FmC9tZP%2B4oyIuBfKIBtcwfBFpU5IbHL0%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylorw@whitbydrapeauvalley.com%7Cc5aaa74963d24cf958620fdd6d523b06%7Cf6a77aa305d441dfbd7a50878705ff7c%7C0%7C0%7C638786784685891837%7CUnknown%7CTWFpbGZsb3d8eyJFbXBtcCI6IlduMDAwMCIsIlAiOiJXaW4zMiIsIkFOIjoiTWFpbCIsIlUIjoyfQ%3D%3D%7C60000%7C%7C%7C&data=CJJBhgW3qPlGjbvLjTHvh5811GEmKJVLW0P%2B9vdQLY%3D&reserved=0

It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, “Israel has implemented more measures to avoid civilian casualties than any other military in the history of war” (33). From the IDF’s use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, “No military in the world has ever done this” (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel’s numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://www.thefp.com/p/where-free-speech-ends-and-lawbreaking-begins).

Sincerely,

Jeri Buxton

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence

steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60 1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityofgrassvalley.com%7Cc5bef8efba8e249a6859908dddd3212c3%7C9ae77aa3054441df9e87a50878f7050f%7C1%7C0%7C638786784004256059%7CUnknown%7CTWFpbGZsb3dSdkyJFbXBBuU1hcGlkOnRpdWUsIlYiOiIwLjAuMDAwMCIsIlAiOiJXaW4zMiIsIkFOIjoiTWFpbCIsIldUIjoyfQ%3D%3D%7C60000%7C%7C%7C&sdata=Sux%2BtZPSY96ipZu6IxfNqmxtOFwfXh07buuHja6OJFc%3D&reserved=0

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, “Israel has implemented more measures to avoid civilian casualties than any other military in the history of war” (33). From the IDF’s use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, “No military in the world has ever done this” (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel’s numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist

casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://www.thefp.com/p/where-free-speech-ends-and-lawbreaking-begins).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you unsertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law [https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityofgrassvalley.com%7C5a6a333e4f4c49c11fa608d6d31d868b%7C9ae773aa305d441df9a87a5087f07f05f%7C1%7C0%7C638787683496349024%7CUnknown%7CTWFpbGZsb3dpeyJFbXBtcCI6IkcifaRyaWVUdlYiOiIwLjAuMDAwMCIsIlAiOiJXaW4zMiIsIkFOIjoiTWFpbCIsIldUIjoyfQ%3D%3D%7C60000%7C%7C%7C&data=yjDX2kYc966fMNyRP4ECy1OmdEjqtF7tY2ba25w63C%2BBs4%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES those rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009. 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylorf%40cityofgrassvalley.com%7C20aad20dc7ae4ce2f0ba08dd4d1ccb1%7C9ae77aa30fb9481d9b87a50878f7f05f%7C1%7C0%7C638786782833764000%7CUnknown%7CTWFpbGZsb3d8eyJWIjoiMC4wLjAwMDAiLCJBTiI6Ik1haWwiLCJXVCI6Mn0%3D%7C60000%7C%7C%7C&sdata=4OVkFjvwqqAZw4t2hrBh7aDBhfE3jKXYJuuO5UKF%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence

steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, “Israel has implemented more measures to avoid civilian casualties than any other military in the history of war” (33). From the IDF’s use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, “No military in the world has ever done this” (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel’s numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://www.thefp.com/p/where-free-speech-ends-and-lawbreaking-begins).

Sincerely,

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence

steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, “Israel has implemented more measures to avoid civilian casualties than any other military in the history of war” (33). From the IDF’s use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, “No military in the world has ever done this” (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel’s numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://www.thefp.com/p/where-free-speech-ends-and-lawbreaking-begins).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylorf%40cityofgrassvalley.com%7C395c229a4c764950fb51908ddda5117fc7%7C9ae77aa305d441df9a87a50878f705ff%7C1%7C0%7C638786781560106615%7CUnknown%7CTWFpbGZsb3dzIjoiMC4wLjAwMDAiLCJQIjoiV2luMzIiLCJBTiI6Ik1haWwiLCJXVCI6Mn0%3D%7C3000%7C%7C%7C&sdata=tr9UVYxAZf0jMgYz3wV9rdHPCyuQTf02wkMtBt511dY%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being drugged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moslmha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, “Israel has implemented more measures to avoid civilian casualties than any other military in the history of war” (33). From the IDF’s use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, “No military in the world has ever done this” (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel’s numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://www.thefp.com/p/where-free-speech-ends-and-lawbreaking-begins).

Sincerely,

Rick Constant

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence

steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. Those behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fcolumbia-university-suspends-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityofgrassvalley.com%7C75d833c0df2c4940585fcf08ddd6df165a2%7C9ae73aa305d441df9e87a9f878f705ff%7C1%7C0%7C638786781127004784%7CUnknown%7CTWFpbGZsb3dpc3JFbXBBbiU1IuCikiOnRydWUsIlYiOiIwLjAuMDAwMCIsIlAiOiJXaW4zMiIsIkJUIjoiTWFpbCIsIldUIjoyfQ%3D%3D%7C80000%7C%7C%7C%7C&sdata=m%2Fo1zR6lbl%2FHxDPSCfe56ve6%2FP%2FRdzLzj3cRa5eudTg%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.theffp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylorf%40cityofgrassvalley.com%7C0d1f8c2454414fcfa27208ddd6d31635d%7C9ae77aa3054441df9e87a50876f7050f%7C1%7C0%7C638786781101266475%7CUnknown%7CTWFpbGZsb3dfSkyJfVkXBIteU1hcGkiOnRydWUsIlYiOiIwLjAuMDAwMCIsIlAiOiJXaW4zMiIsIkFOIjoiTWFpbCIsIlduIjoyfQ%3D%3D%7C60000%7C%7C%7C&sdata=GGELJDjL15%2FTgRZBUP1h5Y0lVvtPPjxqIlFQHchjLd%3D&reserved=0

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence

steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, “Israel has implemented more measures to avoid civilian casualties than any other military in the history of war” (33). From the IDF’s use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, “No military in the world has ever done this” (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel’s numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityofgrassvalley.com%7C18b49ecd700140f4b67b8f6dd6d3125f3%7C9a77aa305d441df9e87a50878705ff5%7C1%7C0%7C638786780088991032 5%7CUnknown%7CTWFpbGZsb3dpZCI6IjAuMDAwMCIsIlAiOiJXaW4tMiIsIkFOIjoiTWFpbCIsIlJjoyfQ%3D%3D%7C0%7C%7C%7C&sdata=3ECq90pdH02MLzRBdl8KjUs56Mujp2aTCm2dfUYbLgOw%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott; NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half-naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

U.S. Senators

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60 1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Claylord%40cityofgrassvalley.com%7C94679799a3424992683b80dddbd31273%7C8ac77aa3054441df9e87a50878705ff5%7C1%7C0%7C638786780070867852%7CUnknown%7CTWFpbGZsb3dpeyJFbXBteUIlseGkiOnRydWUsIlYiOiIwLjAuMDAwMCIsIlAiOiJXaW4zMiIsIkFOIjoiTWFpbCIsIlUIjoyfQ%3D%3D%7C0%7C%7C%7C&sdata=yJQjnhxbF%2BtvyxnBQ10bC26IRnaIT%2BIDDwKai4mdU%2FIAI%3D&reserved=0).

Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityofgrassvalley.com%7Cc87ddccf5e4c3490b801c08ddd8d3116%7C3ba75aa305d641df9a87a5087bf705ff%7C1%7C0%7C638786779931454235%7CUnknown%7CTWFpbGZsb3dpbzIfX0JBc1JhcGkiOnRydWUsIlYiOiIwLjAuMDAwMCIsIlAiOiJXaW4zMiIsIkFOIjoiTWFpbCIsIldUIjoyfQ%3D%3D%7C60000%7C%7C%7C&data=5RHrp55a6Sz35y1HqDFadkvv4NvcUaiP%2Fg5ALTGIFo%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mashtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityofgrassvalley.com%7Cc87ddccf5e4c3490b801c08ddd8d3116%7C3ba75aa305d641df9a87a5087bf705ff%7C1%7C0%7C638786779931454235%7CUnknown%7CTWFpbGZsb3dpbzIfX0JBc1JhcGkiOnRydWUsIlYiOiIwLjAuMDAwMCIsIlAiOiJXaW4zMiIsIkFOIjoiTWFpbCIsIldUIjoyfQ%3D%3D%7C60000%7C%7C%7C&data=5RHrp55a6Sz35y1HqDFadkvv4NvcUaiP%2Fg5ALTGIFo%3D&reserved=0).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, land the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES those rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harrassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityofgrassvalley.com%7Ccc19dc3844b74181935cf86dd6d311c23%7C9ae77aa305d441df9e87a50878f705ff%7C1%7C0%7C638786779882526203%7CUnknown%7CTWFpbGZsb3dpcyJFbXBBfeU1IuGkiOnRydWUsIlYiOiIwLjAuMDAwMCIsIlAiOiJXaW4zMiIsInRFOIjoiTWFpbCIsIlIdUIjoyfQ%3D%3D%7C0%7C%7C%7C&sdata=C+t6hJCIaIhar1Z93LQ02zdh5kU1AJ%2BhoEfgE22Wfdfo%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, land the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2008, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityofgrassvalley.com%7C0083a1efca7641527 64c88dd8d3115a1%7C7aa7aa3054441df9e87a50878705ff2%7C1%7C0%7C638786779755535850%7CUnknown%7CTWFpbGZsb3dfeyJFbXBhIsU1IbcGkiOnBqdW1kIiOiVi4wLjAwMDAwMCIsIAiOiJXaW4zMiIsIkFOIjoiTWFpbCIsIlBjoyfQ%3D%3D%7C60000%7C%7C%7C%7C&data=4NFu%2BKPMTzwWgbiaq659z%2FyXVqiXloWfKkVVlp0h3OY%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetrates genocide on the Israelis and it is HAMAS that perpetrates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Cbaylout%40cityofgrassvalley.com%7Cb3f7910741c49436a7908ddb0b64e092%7C70aa77ad05644f1f9a87a9f07f05f5%7C1%7C0%7C638787002225576089%7CUnknown%7CTWFpbGZsb3d8eyJWIjoiMC4wLjAwMDAiLCJQIjoiV2luMzIiLCJBTiI6Ik1haWwiLCJXVCI6Mn0%3D%7C0%7C%7C%7C&sdata=CGo1Pzhhd5m6cX4FKqw4uacpkK8EOnMPkUDfIYz4Oq4%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence

steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, “Israel has implemented more measures to avoid civilian casualties than any other military in the history of war” (33). From the IDF’s use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, “No military in the world has ever done this” (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel’s numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of those civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. Those behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7CtaylorsP%40cityofgrassvalley.com%7C1a8a3b1ba70455a56830bddd2fd0b6b5%7C9aa77aa3054441df9e87a508760705ff%7C1%7C0%7C638786779275431245%7CUnknown%7CTWFpbGZsb3dpeyJFbXB0eUlfaGk0aRjoWUldYiOiIwLjAuMDAwMCIsIlAiOiJXaW4zMiIsIkFOIjoiTWFpbCIsIlBjIjoyfQ%3D%3D%7C60000%7C%7C%7C&data=uIJooP0qfTCKb1ZBLeE1Sm4LuSlLvcwPUR%2FPHlLXo%3D&reserved=0

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetrates genocide on the Israelis and it is HAMAS that perpetrates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of those civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityofgrassvalley.com%7C4f12cff8f95f2941737dc408ddd6d30f%7C9ae73aa305d441df9e87a50f78705ff%7C1%7C0%7C638786779204101985%7CUnknown%7CTWFpbGZsb3dpbygiIHYuMDAwMCIsIlAiOiJXaW4zMiIsIkFOIjoiTWFpbCIsIldUIjoiMzIsIkFOIjoiTWFpbCJ9&sdata=dMdCkjKcaF%2BP7Y3a1Md0U7KgIZVN22f6vOdpXOJqM5Oo%3D&reserved=0)

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott; NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityofgrassvalley.com%7C0f5af7df024d9f407162b508dd4d30a47f%7C9ac77aa305d441df9e87a5087f6f05ff%7C1%7C0%7C638786778430162397%7CUnknown%7CTWFpbGZsb3dRydWUsIlYiOiIwLjAuMDAwMCIsIlAiOiJXaW4tMiIsIkFOIjoiTWFpbCIsIlBUIjoyfQ%3D%3D%7C0%7C%7C%7C&sdata=0hNFEF%2BEZag6l%2F6hAqBpkYHFCTgnaGdopcFWZYAtHNU%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetrates genocide on the Israelis and it is HAMAS that perpetrates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, land the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2008, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60 1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylorf%40cityofgrassvalley.com%7C3312c37af83346ab9ddd8ddd6d4d9ac%7C9ae77aa305d441df9e87a50f87f05ff%7C1%7C0%7C6387870021035795975%7CUnknown%7CTWFpbGZsb3dpeyJFbXBtcUIkcGkiOnRydWUsIlYiOiIwLjAuMDAwMCIsIkFuIjoiV2luMzIiLCJXVCI6Mn0%7C60000%7C%7C%7C&sdata=usdPO8m5DYbtnMcfyTBs7mxKjAZMPcfES1i10MCKcdI%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmood Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an axe while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, lauds the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES those rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylorsf%40cityofgrassvalley.com%7C3c27dbab3f1c24b892c6f88dd6d30abdb%7C9ae77aa305d4414f9e87e50878705ff%7C1%7C0%7C638786777984691655%7CUnknown%7CTWFpbGZsb3dpbyIfbXBlbiU1IneGkiOnRydWUsIlYiOiJoeLjAuMDAwMCIsIlAiOiJXaW4xMHdsIkFOIjoiTWFpbCIsIlBUIjoyfQ%3D%3D%7C60000%7C%7C%7C&sdata=t9OV7WzFgUudB9NpGbEuaX%2FScSaqSUUabvjJfSc7r%2FU5I%3D&reserved=0).

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are those people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demonalize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, lead the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES those rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityofgrassvalley.com%7C88636cc021e343eb7c8808dd6d30ae5d%7C9ae77aa305d441df9e87a50878705ff5%7C1%7C0%7C638786777972472891%7CUnknown%7CTWFpbGZsb3dfeyJFbXBtcU1hcGkiOnRydWUsIlYiOiIwLjAuMDAwMCIsIlAiOiJXaW4zMiIsIkFOIjoiTWFpbCIsIldUIjoyfQ%3D%3D%7C60000%7C%7C%7C%7C&sdata=oJJojwjk7KX11Rz6KkyPbkb59CwIa5h9Y AuFzZW4dCwg%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott; NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmood Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityofgrassvalley.com%7C7f253a8e80a54538745fad8bddd39ab0%7Cbe77aa305d4414ff9e87a5087875f05f%7C1%7C0%7C638786777963602694%7CUnknown%7CTWFpbGZsb3d8eyJFbXBtcUIlscGkiOmRydW1sIlV2iOiJwLjAuMDAwMCIsIlAiOiJXaW4zMiIsIkFOIjoiTWFpbCIsIldUIjoyfQ%3D%3D%7C0%7C%7C%7C&sdata=sgLQnHp5gJBT1PaoubdkfkNnAMdYTvvd50Hyur7COn0%3D&reserved=0

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an axe while she is doing laundry. What are those people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES those rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, those deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES those rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityofgrassvalley.com%7Cec7c5ca61377480f01308ddded5083e0%7C9ae77aa3054641d9bc87a50878705f0%7C1%7C0%7C638786777326907747%7CUnknown%7CTWFpbGZsb3dpeyJFbXB0eU1hcGkiOnRydWUsIlYiOiIwLjAuMDAwMCIsIlAiOiJXaW4zMiIsIkFOIjoiTWFpbCIsIlBjIjoyfQ%3D%3D%7C0|0|0|%7C%7C%7C&sdata=0uCbDDDzSOfIGv75JTtMMV0Qx1fEKAfIj954hkhwfZz0o=&UDkreserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS; NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott; NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmood Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half-naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityoflgrassvalley.com%7C3d02fe0f832494d43dcf608dd6d3078e47%7C9aa77aa305d4414f9e87a50878f705f5%7C1%7C0%7C638786777201902856%7CUnknown%7CTWFpbGZsb3dpcyJFbXBhbUlIaGk0aRydWUsIlYiOiIwLjAuMDAwMCIsIlAiOiJXaW4xMSIsIkFOIjoiTWFpbCIsIlUjoyfQ%3D%3D%7C60000%7C%7C%7C&sdata=ijTtD5JJjmNPDnRn6Nttn7Y9mNuuat1%2FiFMbkdz3E%3D&reserved=0).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Claylon4%40cityofgrassvalley.com%7C3ba9467859b64adc3a4008ddbd3077b9%7C3aa77aa3054441df9e87a50878f705f5%7C1%7C0%7C638786777137553384%7CUnknown%7CTWFpbGZsb3dzIjoiMC4wLjAwMDAiLCJQIjoiV2luMzIiLCJBTiI6Ik1haWwiLCJXVCI6MiJ9%7C30000%7C%7C%7C&sdata=ya5Pn4qoc%2Fyuv95e%2BW%2F%2BySO%2FLrC3N%2FMEKotFnh2%2FOY%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street – executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an axe while she is doing laundry. What are those people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES those rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityofgrassvalley.com%7C5fd0d2fd102f4f7b227c5fdddfd3074f%7C7ba7ba3054414f0a87a50878705ff5%7C1%7C0%7C638786777706461494995%7CUnknown%7CTWFpbGZsb3dpbyIsIlYiOiIwLjAuMDAwMCIsIlAiOiJXaW4zMiIsIkFOIjoiTWFpbCIsIldUIjoyfQ%3D%3D%7C0%7C%7C%7C&sdata=LdBdEWKX9OZZGMO95p3c1HPPaJmdzP4UTKsicdLnvU%3D&reserved=0).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityofgrassvalley.com%7Ca37ce8e2b38a438cc4108ddd6f061d3%7C9ac77aa305d441df9e87a5f878f705ff%7C1%7C0%7C638786776781857154%7CUnknown%7CTWFpbGZsb3dleyJFbXB0eUlkIjoiGkiOndRydWUsIlYiOiIwLjAuMDAwMCIsIlAiOiJXaW4xMiIsIkFOIjoiTWFpbCIsIlUIjoyfQ%3D%3D%7C80000%7C%7C%7C&sdata=N5s0VAvNZ%2FtLfnqNkW86hLUYrFEY7bRQcFHoUmZHKo9Y%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, "martyrdom culture," and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylorsf%40cityofgrassvalley.com%7C92c3de7055f845ad764e0f6dd6d64d65%7C9ae77aa305d441dff6cf7a50878705ff%7C1%7C0%7C638787002057259475%7CUnknown%7CTWFpbGZsb3dfSkBsYXBIbGUiOiIwLjAuMDAwMCIsIlAiOiJXaW4zMiIsIkFOIjoiTWFpbCIsIlUIjoyfQ%3D%3D%7C0%7C%7C%7C&sdata=i1%2BFdq9tudQ9uU7zkdECKes1geO4uGv0aFyxTaOnoGE%3D&reserved=0).

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://www.thefp.com/p/where-free-speech-ends-and-lawbreaking-begins).

Sincerely,

Diane Rowe

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence

steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, “Israel has implemented more measures to avoid civilian casualties than any other military in the history of war” (33). From the IDF’s use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, “No military in the world has ever done this” (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel’s numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you unsertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law [https://gcc02.safelinks.protection.outlook.com/?url=http%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-beginsfedata=05%7C02%7Clayleed%40cityofgrassvalley.com%7C1326b6dd8f0946255363084dd6d303a8b%7C9aa77aa3054441df9e87a50878705f5%7C1%7C0%7C638378677680022390067%7CUnknown%7CTWFpbGZsb3dpeyJFbXBtcU1hcGkiOnRydWUsIlYiOiIwLjAuMDAwMCIsIkExMSI6Ik1haWwiLCJXVCI6Mn0%7C%7C%7C&sdata=CnOuAhm1N5lqOc864v3ydy%2BVs6ZCtQ5CvY2qkL2w10%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, those deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES those rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixty-fold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.dhcfp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityofgrassvalley.com%7C45fd477202984bc0f02e08dbd302689f%7C9aa77aa305d4441df8e87a5087f0705f%7C1%7C0%7C638786775771966355%7CUnknown%7CTWFpbGZsb3d8eyJWIjoiMC4wLjAwMDAiLCJQIjoiV2luMzIiLCJBTiI6Ik1haWwiLCJXVCI6Mn0%3D%7C3000%7C%7C%7C&sdata=YbsGL1yMJDRtxT56d3AqfJZa6Wcv6U%2BzLF7Hi5GioTE%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence

steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mufmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of tunnel tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).
