The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Daniel Aires

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black

Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

"Those who do not learn history are doomed to repeat it" – George Santayana.

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

"Those who do not learn history are doomed to repeat it" – George Santayana.

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him.'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

"Those who do not learn history are doomed to repeat it" – George Santayana.

Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

"Those who do not learn history are doomed to repeat it" – George Santayana.

Honorable City Council Members,
I live in 90035 Los Angeles
We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Alison Wilson

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

"Those who do not learn history are doomed to repeat it" – George Santayana.

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black

Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Barbara Rifkin

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead. 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea," We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. Those resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Linda Kazlow

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Kenneth Solnit

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black

Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Val

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott; NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian

girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Paul

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Tzippora Baratz

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Jill W Sandberg

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyghurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black

Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Steve Mallet

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Than, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Steven Rose

U.S. Senators

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian

girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Joyce Spiegel

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Martin Edelburg

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him.'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. Those resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Daphna Roth

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Shira Manne

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Sharon Senderowicz

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black

Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, those deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, land the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES those rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots those trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated those lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties unerver that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixty fold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding those innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated those laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctayleed%40cityofgrassvalley.com%7C791ba63c8f27441d04a208dd6d457187%7C9ac77aa3054441df9e87a50878705f5%7C1%7C0%7C638786866705052810%7CUnknown%7CTWFpbGZsb3dfcmyJfbXBhIuU1IuGkiOnRydfW1sIlYiOiIwLjAuMDAwMCIsIlAiOiJXaW4zMiIsIkFOIjoiTWFpbCIsIlUjoyfQ%3D%3D%7C80000%7C%7C%7C&data=uEk8q%2BMVEu11ENuxYqJmeUhjZTI3XnQ%2BcJfiUI%2BC%2BB%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Roberta Zelkha

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Roberta Zelkha

Honorable City Council Members,

As hate-motivated attacks and inflammatory rhetoric reach new and destructive levels across our nation, the need to confront such heinous acts is more visibly necessary than ever. Concerning this, we are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are passionately asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts [30-32], including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide Hamas atrocities to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and end Hamas' brutality against the Gazan civilians.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityofgrassvalley.com%7C77a97cbefa184b9459358ddd6d25ad%7C9ae77aa3054441df6487f05ff%7C1%7C0%7C638786771795076410%7CUnknown%7CTWFpbGZsb3dpcyI6IjAuMDAwMCIsIlAiOiJXaW4zMiIsIkFOIjoiTWFpbCIsIlVjoyPj%3D%3D%7C0%7C%7C%7C&sdata=GkKoMzogMO0W1uk%2FMnABL4cAdKO1HMDIpSlTveYRJo%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street – executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an axe while she is doing laundry. What are those people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES those rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityofgrassvalley.com%7C56a2a1a8b04147c10ec88ddfd40e8ef%7C5ae77aa305d441df9e87a50878f7055f%7C1%7C0%7C638786881970316199%7CUnknown%7CTWFpbGZsb3d8eyJFbXB0eU1hcGkiOnRydWUsIlBvYiOiMi4wLjAwMDAwMCIsIkFuIjoiTWFpbCIsIldUIjoyfQ%3D%3D%7C60000%7C%7C%7C&sdata=oedBuj9oWB2hvsoWCfQQ3pdjUW32shhmTnMKkRtPLo%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
M Sandler

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityofgrassvalley.com%7C8d35d8728f3742bf0b0f0dd6d5d5ded5%7C9ae77aa3056441df9e87a50878705f5%7C1%7C0%7C638786970248094535%7CUnknown%7CTWFpbGZsb3d8eyJWIjoiMC4wLjAwMDAiLCJQIjoiV2luMzIiLCJBTiI6Ik1haWwiLCJXVCI6Mn0%3D%7C0%7C%7C%7C&sdata=dILa7bbIZxguU8H4mnWGy6thIRqYqMJeQPvb5cVeqdm3U%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea," We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Patah fighters off roofs of buildings (6, 7) and marching Patah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, land the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityofgrassvalley.com%7C2dfaa9b7c5b24d985872086dd6d6617a%7C9ae77aa305d441df9e87a50878705ff%7C1%7C0%7C638787008397595042%7CUnknown%7CTWFpbGZsb3dpeyJFbXBtcCI6ZmFsc2UsIlYiOiIwLjAuMDAwMCIsIkFOIjoiTWFpbCIsIldUIjoyfQ%3D%3D%7C60000%7C%7C%7C&sdata=Mg%2BH7mgW8gVIFaaDGlnhvhXXlGmuc2RV9Lukk59k0PY U%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityofgrassvalley.com%7C3cefeb615fa554a5f9d6308ddd640aa0%7C9aa77aa3054d441df9e87a5087f07f05%7C1%7C0%7C638786846758372725%7CUnknown%7CTWFpbGZsb3dpcyJ9eyJWIjoiMC4wLjAiLCJBTiI6Ik1haWwiLCJXVCI6Mn0%3D%7C40000%7C%7C%7C&sdata=OOhtyglHAM%2BCCcdUhZUU7MnRY6K24lvO6NRpGi%2Bn6%2FvA4%3D&reserved=0).

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, “Israel has implemented more measures to avoid civilian casualties than any other military in the history of war” (33). From the IDF’s use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, “No military in the world has ever done this” (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel’s numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://www.thefp.com/p/where-free-speech-ends-and-lawbreaking-begins).

Sincerely,
Val Linden

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian

girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Val Linden

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Beth Farkas

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harrassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://go02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityofgrassvalley.com%7C7b4e4bf9f4424d4f479a0f8dd6d5a8a3%7C9ac77aa3054441df9e87a5087f07050f%7C1%7C0%7C638786957824939405%7CUnknown%7CTWFpbGZsb3dzeyJFbXBhcUIlnGlkOnRydWUsIlYiOiIwLjAuMDAwMCIsIlAiOiJXaW4zMiIsIkJUIjoiTWFpbCIsIldUIjoyfQ%3D%3D%7C80000%7C%7C%7C&sdata=KiB5BAk4QEb/WtQyKmfY5rfKTn%2BoOCc9Qdkpcvj|KaApM%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, “Israel has implemented more measures to avoid civilian casualties than any other military in the history of war” (33). From the IDF’s use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, “No military in the world has ever done this” (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel’s numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist

casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://www.thefp.com/p/where-free-speech-ends-and-lawbreaking-begins).

Sincerely,
Masha Minster

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, “Israel has implemented more measures to avoid civilian casualties than any other military in the history of war” (33). From the IDF’s use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, “No military in the world has ever done this” (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel’s numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist

casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://www.thefp.com/p/where-free-speech-ends-and-lawbreaking-begins).

Sincerely,

Laurie Schlussel

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead. 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

Those anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. Those resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Margaret & Fred Danishefsky

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half-naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.theftp.com%2Fpf%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityofgrassvalley.com%7C911aba79efab046bc582cf68dd6d2bc5c6%7C9a77aa305d441df6e87a50878f705ff5%7C1%7C0%7C638786757501858942%7CUnknown%7CTWFpbGZsb3dpcyJ9fSXBMzU1hcGkiOnRydWUsIlYiOiIwLjAuMDAwMCIsIlAiOiJXaW4xMdiIkFOIjoiTWFpbCIsIlBjIjoyfQ%3D%3D%7C0%7C%7C%7C&sdata=kc47qIuZUFYNAC%2Fyjvx%2FGGhz5zfH61ecLSzD4H%2Fwx0%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead. 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

Those anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. Those resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Margaret & Fred Danishefsky

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009. 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60 1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityofgrassvalley.com%7C167a6e42b2cd44891393086dd6d378fbe%7C9ae71aa30f5d441df0e87a50f87f0f0f%7C1%7C0%7C638780894469942385%7CUnknown%7CTWFpbGZsb3d8eyJFbXB0eU1hcGkiOnRydWUsIlYiOiIwLjAuMDAwMCIsIlAiOiJXaW4zMiIsIkFOIjoiTWFpbCIsIldUIjoyMjQifQ%3D%3D%7C80000%7C%7C%7C&sdata=7dKW9wuUdOn63%2FbQEeeenfVsY66%2BcH0j6Jqjm3V%2FuLP0%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him.'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

"Those who do not learn history are doomed to repeat it" – George Santayana.

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmood Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-fanded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctayloe#%40cityofgrassvalley.com%7C6e1c65cfaa8b940d0996406ddde5939c0%7C3ac77aa305d441df6e87a50878f705f0%7C1%7C0%7C638786913514730137%7CUnknown%7CTWFpbGZsb3dfeyJWIjoiMC4wLjAwMDAiLCJBTiI6Ik1haWwiLCJXVCI6Mn0%3D%7C60000%7C%7C%7C&data=NmJh3cnRJ%2Bu3Vd%2BuN19YgoOOLHmJv5977tUJBWEc%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmood Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black

Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Martin Lurie

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black

Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Martin Lurie

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence

steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, “Israel has implemented more measures to avoid civilian casualties than any other military in the history of war” (33). From the IDF’s use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, “No military in the world has ever done this” (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel’s numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://www.thefp.com/p/where-free-speech-ends-and-lawbreaking-begins).

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, land the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwhere-the-fly.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-beginsdefine-~05%7C02%7Ctaylord%40cityofgrassvalley.com%7Cc7858bb82d2ed4159057c08dd6d81809d%7C9ae77aa305d441d9a87a50f7f07f05ff%7C1%7C0%7C638787125204287855%7CUnknown%7CTWFpbGZsb3dpZHUiOiIwLjAuMDAwMCIsIlAiOiJXaW4zMiIsIkFOIjoiTWFpbCIsIldUIjoyfQ%3D%3D%7C60000%7C%7C%7C&sdata=dIE2eCyjCfV4ekFZFOdpTAS2OcW319CvPqrfIkfJIP4%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese endvement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

Those anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Hannah Millicovsky

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence

steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, “Israel has implemented more measures to avoid civilian casualties than any other military in the history of war” (33). From the IDF’s use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, “No military in the world has ever done this” (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel’s numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://www.thefp.com/p/where-free-speech-ends-and-lawbreaking-begins).

Sincerely,

Devorah

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Michael Pincus

U.S. Senators

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Michael Pincus

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, “Israel has implemented more measures to avoid civilian casualties than any other military in the history of war” (33). From the IDF’s use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, “No military in the world has ever done this” (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel’s numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://www.thefp.com/p/where-free-speech-ends-and-lawbreaking-begins).

Sincerely,

Michael Pincus

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black

Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Robert Levine 90266

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence

steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, “Israel has implemented more measures to avoid civilian casualties than any other military in the history of war” (33). From the IDF’s use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, “No military in the world has ever done this” (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel’s numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://www.thefp.com/p/where-free-speech-ends-and-lawbreaking-begins).

Sincerely,
Robert Levine

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea," We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

HAMAS VIOLENCE AGAINST ISRAEL

Dospite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityofgrassvalley.com%7C80d41759822d4e9df9960fdd6bd6d529e%7C19ae77aa3054941df9e87a50878f705f0%7C1%7C0%7C638787038465252059%7CUnknown%7CTWFpbGZsb3d8eyJfbXBhcUIlnGlk0nRydWUsIlYiOiIwLjAuMDAwMCIsIlAiOiJXaW4zMiIsIkFOIjoiTWFpbCIsIlUIjoyfQ%3D%3D%7C60000%7C%7C%7C&sdata=DNvU57HuaFvXAuQvUAHbfv6LCBQo51MUk9F1cF5vwvg%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea," We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Marina Berman

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott; NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are those people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demonlize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60 1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityofgrassvalley.com%7C39d4403813d2b4a3f89670fddd6d7c384c%7C5ac77aa305d441df8e87a5087870f5ff%7C1%7C0%7C638787102883449668%7CUnknown%7CTWFpbGZsb3dzb3wiV2luMzIiLCJBTiI6Ik1haWwiLCJXVCI6Mn0%3D%7C60000%7C%7C%7C&sdata=A9zhtlK%2BgVpaTo66AFZRXqMzr5Ajg389y6%2BQ0WDDc%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to borrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea," We don't want a two-state;" "Long live October 7th;" "October 7th again;"" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

"Those who do not learn history are doomed to repeat it" – George Santayana.

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him.'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. Those resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

D Mel

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half-naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half-naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityofgrassvalley.com%7C100bce46a1ac415cfb1cf08dd6d443693%7C9ac77aa305d4414dfbc87a50878f705f%7C1%7C0%7C638786861937235512%7CUnknown%7CTWFpbGZsb3dpcyJFbXBhUiOiIuMDAwMCIsIlAiOiJXaW4wMdldkFOIjoiTWFpbCIsIlUIjoyfQ%3D%3D%7C60000%7C%7C%7C&data=0WBERqqm4PjjudiI2OKdiFEcpXGJYJpo9Nzzcx%2F9wo%3D&reserved=0).

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel’s numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://www.thefp.com/p/where-free-speech-ends-and-lawbreaking-begins).

Sincerely,
Lisa Miller

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

"Those who do not learn history are doomed to repeat it" – George Santayana.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea," We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixty fold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.theffj.com%2Fpv%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityofgrassvalley.com%7C4d67cddf9d5014a2e449c08ddd4b8520%7C9ae73aa3054441dfbe87a50787f05ff%7C1%7C0%7C638786893304654281%7CUnknown%7CTWFpbGZsb3dfdeyJFbXBhcHUiOiAwLjAuMDAwMCIsIkAiOiJXaW4xMdHdlkFOIjoiTWFpbCIsIlBJjoyfQ%3D%3D%7C0%7C%7C%7C&data=LVbF%2BLD0k9ASoKcit6ysvuBtyWPCnyDkbgTRz%2Bf6pmxE%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Elizabeth Wasserman

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law [https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityofgrassvalley.com%7C41e8caf74bedd4bc4d8f08ddd854d814%7C9ae77aa305d441df9a87a50787f705ff%7C1%7C0%7C638786795898503244%7CUnknown%7CTWFpbGZsb3d8eyJFbXBtcCI6ICJuMyIsIlAiOiJXaW4zMiIsIkFOIjoiTWFpbCIsIlBUIjoyfQ%3D%3D%7C3000%7C%7C%7C&sdata=gxW4ALYT86WvyxGL%2Bo03%2BioTpsqJBBeH4obQdlg7Jnkw%3D&reserved=0].

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityofgrassvalley.com%7C388e1e240fc50478525990fddd6d2866f4%7C9ae77aa305d441df9e87a50878705ff%7C1%7C0%7C638786742613614019%7CUnknown%7CTWFpbGZsb3dfeyJFbXB0eUIhcGkiOnRydWUsIlYiOiIwLjAuMDAwMCIsIkFuSOiXaW4eMdIdkFOIjoiTWFpbCIsIkIUjoyfQ%3D%3D%7C60000%7C%7C%7C&sdata=u57BIEmEiOv1uzgUfOwrq2RttIq1WCkhmxcmOjl0pm9LI%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Moshtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demoralize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law [https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityofgrassvalley.com%7C41e8caf74bedd4bc4d8f08ddd854d814%7C9ae77aa305d441df9a87a50787f705ff%7C1%7C0%7C638786795898503244%7CUnknown%7CTWFpbGZsb3d8eyJFbXBtcCI6ICJuMyIsIlAiOiJXaW4zMiIsIkFOIjoiTWFpbCIsIlBUIjoyfQ%3D%3D%7C3000%7C%7C%7C&sdata=gxW4ALYT86WvyxGL%2Bo03%2BioTpsqJBBeH4obQdlg7Jnkw%3D&reserved=0].

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea," "We don't want a two-state," "Long live October 7th," "October 7th again," "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

"Those who do not learn history are doomed to repeat it" – George Santayana.

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demonilize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. These behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Clayleod%40cityofgrassvalley.com%7C59c8c73c93da4687462108dd6d27e016%7C9ae77aa305d441df9e87a5087870f5ff%7C1%7C0%7C638786740217407321%7CUnknown%7CTWFpbGZsb3d8eyJFbXBtcU1hcGkiOnRydWUsIlV2ZiOnJuYWJpbCIsIkJUjoyMjQifQ%3D%3D%7C60000%7C%7C%7C&sdata=1qs20bCsP%2BLhpsAEtQGzwEU4GfJp6fDOGiKC30ezuDAb0%3D&reserved=0).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Patricia Kahlson

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel; NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Vikki Bravo

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israeli-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demonize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

IN SUMMARY:

The resolutions being proposed are rationalized by FALSE accusations against Israel. This letter shows that there is NO genocide by Israel against the Palestinians.

Moreover, these resolutions are created by Hamas-funded terrorist network support groups and lobbyists (e.g., CAIR, AMP, SJP, etc.) and are meant to hide what Hamas does to keep them in power (55-57). Please, do not fall for it.

Leaving Hamas in power perpetuates brutality against the Palestinians and heinous terrorist attacks on Israel. When you entertain this resolution, you might think you are protecting innocent people. What you are doing, however, is allowing Hamas' brutal leaders to re-entrench and re-strengthen. In essence, you are hurting the people you say you are concerned about.

How can you help Palestinians and Israelis?

Firstly, do NOT call a financial and military aid boycott of Israel, an anti-Israel ballot question, or ANY other anti-Israel resolution. Instead call for Hamas' unconditional surrender and return of all the hostages. Only that will stop the terror attacks against Israel and Hamas' brutality against the Gazan civilians themselves.

Secondly, please uphold the Civil Rights Act of 1964, which the participants in the illegal encampments flagrantly violated. They harassed, incited violence, physically assaulted, vandalized, damaged property, blocked entrances, and prevented free movement on campus for Jewish students and their allies. Not only were these illegal behaviors discriminatory, but they also were textbook examples of UNPROTECTED conduct since they created a hostile environment for Jewish students and their allies that would not be tolerable for any other group. Those behaviors are, therefore, indefensible by the First Amendment, and we ask the City Council to prosecute those who violated these laws to the fullest extent of the law (https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.thefp.com%2Fp%2Fwhere-free-speech-ends-and-lawbreaking-begins&data=05%7C02%7Ctaylord%40cityofgrassvalley.com%7C6aaaaa5b483747d063ab86bddd42b8c7c%7C9ac73aa305d441df9e87a50878f705ff%7C1%7C0%7C638786755996809989%7CUnknown%7CTWFpbGZsb3dzIjoiMC4wLjAwMDAiLCJQIjoiV2luMzIiLCJBTiI6Ik1haWwiLCJXVCI6Mn0%3D%7C60000%7C%7C%7C&sdata=qgzv6ef0LtmT0LSXCKCYojNMPc2BH0UKRGh54WYTfEZc0L%3D&reserved=0)

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO on the anti-Israel resolution, NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

We ask you please to read this letter in its entirety to understand our request.

A careful read of these resolutions that unjustly vilify Israel will reveal the writers' intentional and glaring omission – a description of the horrors that Hamas has unleashed against both the Palestinians and Israelis.

These documents' disingenuous implication that the suffering of the Palestinians in Gaza is because of Israel are false as are the claims of genocide by Israel against the Palestinian people. It is HAMAS that perpetuates genocide on the Israelis and it is HAMAS that perpetuates egregious Palestinian casualties. It is blatantly false to claim that the only remedy is an anti-Israel resolution such as withholding financial ties to Israel. This serves to keep Hamas in power.

HAMAS IS A TERRORIST ORGANIZATION

What the resolution's authors obfuscate is that Hamas is designated as a terrorist organization by the U.S.A. and 27 other countries (1).

Hamas' charter is explicit – their war is not just about land (2). Rather, it is about wiping out democracy, Jewish people, Christians, and all 'infidels.' As Senior Hamas Mahmoud Al-Zahar states in this video (12-12-22), which we encourage you to watch:

"The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity" (3).

Hamas' violence, however, is not saved just for the 'infidel.' Hamas turns this violence steadily against its own people, the Palestinians.

Below is a description of Palestinian daily life under Hamas' rule, which is vital information for you to make an informed decision.

HAMAS ROBBED GAZA FROM THE PALESTINIANS

Since 2005, Israel has been out of Gaza (4), which could have become a renowned seaside resort – with jobs and a vibrant economy. Sadly, Hamas stole billions of dollars of UNRWA aid from the Palestinians. Instead of using this money towards infrastructure, Hamas and UNRWA used it to create 450 miles of terror tunnels to commit the worst genocide of Jewish people since the Holocaust on October 7 (5).

HAMAS' VIOLENT COUP OF GAZA

In January 2006, Hamas won the majority of the seats in the Palestinian government. In June 2007, Hamas took over Gaza in a bloody coup, by throwing Fatah fighters off roofs of buildings (6, 7) and marching Fatah soldiers half naked and blindfolded in the street - executing them point blank (8,9).

HAMAS WEAPONIZES PALESTINIAN YOUTH

The UNRWA-Hamas partnership has poisoned over 545,000 Palestinian children through its P.A. curriculum that teaches hatred of Jewish People and Israel, and promotes violence, jihad, 'martyrdom culture,' and omits teaching about peace and co-existence. 80 UNRWA teachers and staff across more than 30 schools teach hateful content in their textbooks (10), and numerous Hamas terrorists have graduated from these schools (11, 12).

Since these children are instructed to be murder weapons for a terrorist group, Hamas and UNRWA are directly responsible for all the murders they commit, and for their untimely deaths as terrorists, suicide bombers, and as shields for Hamas (13, 14).

HAMAS' EXTREME VIOLENCE AGAINST DISSENTERS

Palestinian children and adults are exposed to daily violence by Hamas. It is common for a Palestinian child to walk to school and see a severed head roll by, Gazans hanging dead from electrical wires, Gazans being dragged across town by their feet, or a woman's head being chopped off with an ax while she is doing laundry. What are these people's 'crimes?' They are Gazans who want to live and work peacefully with the Israelis (15, 16).

Sheikh Mohammed Mushtaha, a Gazan mosque preacher, refused to praise Hamas in his sermon to a group of thousands. On 12/30/23 Hamas fighters violently stormed his house and kidnapped him (17).

HAMAS VIOLENCE: MUSIC, LGBTQIA+, AND CHRISTIANS

Hamas murders people for playing music at weddings (18), tortures and murders people who are LGBTQIA+ (19), and mistreats Christians by attacking their churches, threatening their leaders, and kidnapping Christian youth (20, 21).

HAMAS PURPOSELY INCREASES PALESTINIAN DEATHS

Hamas leaders have admitted that not only do they strategically use Palestinian civilians as shields, but they also know that Israel does NOT want to harm Palestinian civilians (22).

Hamas intentionally blocks safe passage corridors created by Israel, threatens to murder civilians who wish to evacuate (23), and hides munitions in hospitals, schools, homes, and mosques to INCREASE civilian casualties in order to impede Israeli military operations, demonize Israel, and delegitimize Israel in the eyes of the world (24, 25). Hamas also loots aid trucks and murders Palestinians trying to get to the aid (26, 27, 28).

Loss of human life is tragic and according to logic and international law, these deaths, and the deaths of the terrorists themselves, fall squarely on the shoulders of Hamas (29).

ISRAEL PROTECTS PALESTINIAN CIVILIAN LIVES

Moreover, numerous war experts (30-32), including John Spencer, Chief of Urban Warfare Studies at WestPoint, laud the Israel Defense Force (IDF) for being the most moral army in the world. He said, "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" (33). From the IDF's use of precision weapons to avoid collateral damage, to (leaflets) (34), texts, and calls to Gazan civilians ahead of airstrikes, to evacuating urban areas before attacking Hamas outposts, "No military in the world has ever done this" (35).

In fact on May 15, 2024, over 80 U.S. military generals, with expertise in the Middle East, have attested to the FACT that Israel follows international rules of war while Hamas ABUSES these rules to endanger civilian life (36).

Unprecedented in the entire world, Israel endangers its own soldiers to protect civilians (37).

FOOD AND AID

The world must speak out about what Hamas is doing to starve the Palestinian population. Despite the fact that the onus of this starvation falls squarely on Hamas, Israel sends in food and aid trucks because they care about civilian lives! Hamas loots these trucks and murders Palestinians trying to get to the aid (38 – 41).

HAMAS LIES

Hamas uses lies and disinformation as a strategic P.R. weapon. Hamas lied in 2002, 2009, 2012, and 2014 regarding numbers of civilian casualties (42, 43). In fact, months after the 2009 war, the Hamas leader, Fathi Hamad, admitted that Hamas lied about the number of civilian casualties and that Israel's numbers were correct (44).

In this conflict, when a Palestinian rocket exploded the Al-Ahli hospital, Hamas quickly blamed the Israelis and the media perpetuated these lies. After an investigation and video footage, the truth was discovered (45).

Recent statistical analysis of the Hamas Ministry of Health numbers of casualties uncover that they are statistically impossible. See the analysis here (46, 47).

Armies that fight a defensive war against terrorists in urban warfare have a civilian to terrorist casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist that is eliminated. Israel's ratio is 1:1, meaning they have reduced civilian casualties four to sixtyfold by comparison (48). According to international law (Article 51) and ethics, all of these civilian casualties fall on Hamas' shoulders.

HAMAS VIOLENCE AGAINST ISRAEL

Despite the fact that Israel has offered peace agreements with the Palestinians on at least five occasions (49), Hamas has fired over 30,000 rockets at Israeli civilians since 2001 (50, 51).

On October 7 Hamas, UNRWA employees, and Palestinians high on illegal narcotics (52) brutally raped, burned, beheaded, maimed, and murdered 1,200 Israeli civilians, and took more than 240 hostages, including Americans, and Foreign Nationals in an act of pure genocide (53). Hamas is still holding these innocent hostages (54).

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from those attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgement will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black

Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Dr. John Riskind

In fact, Article 7 of the Hamas Charter states: "The Day of Judgement will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Dr. Rick Mendelssohn

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from those attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgement will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Ely Bar-Ness

The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Holly Wright

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

Those crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;"" Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israeli-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea," We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Maleah Spinell

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea," We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Dan Kahen

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from those attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,
Paul Stutman CA 90230

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Angela Goldman

The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Rachel M Schorr

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian

girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Sincerely,

Janene Scarfield

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

According to International Law the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. While all innocent deaths are a tragedy, Israel's commitment to fighting ethically outshines every military in the world [11].

These anti-Israel resolutions, BDS campaigns, fervor to interfere with Israel bonds and military aid to Israel, anti-Israel ballot questions, academic boycotts, and pressure to drop the charges against those arrested in the illegal encampments, are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO on withholding military aid to Israel, NO to academic boycotts, NO to anti-Israel ballot measures, and NO to dropping charges against those arrested in the illegal, discriminatory encampments. These resolutions will allow Hamas to re-entrench and re-strengthen. Instead, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity will judge you as a hero.

Honorable City Council Members,

We are your constituents, Americans across this great nation, and worldwide citizens, including Palestinian and Israeli peace activists, who are asking you to vote NO to BDS, NO to divesting from Israel, NO to an arms embargo of Israel, NO to withholding military aid to Israel, NO to an academic boycott, NO to an anti-Israel ballot question, and NO to dropping charges against those arrested in the illegal encampments.

Please read this document in its entirety.

The defined role of your council is to value and protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyhgurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the abovementioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on the democratic country of Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].
